

Good Morning (Insert Teacher's Name),

Hope you are having great week so far. I am in the process of getting cleared to attend Centennial HS Cheer/pom Clinic and Tryouts for the 23-24 Season. Part of the required process is to have a teacher evaluation and update on my progress in your course. If you can please use this link provided and fill out no later than May 1st that would be great. These evaluations will be 100% confidential to the coaches and will be kept on file for the 23-24 season.
